The 2019 Hawai'i Agriculture Conference Organizing Committee is extending its proposal submission deadline to April 26, 2019. The Hawai'i Agriculture Conference will take place on October 15-16, 2019 at the Hawai'i Convention Center. The theme for this year's conference is *AGdaptation: Hawai'i's Growing Opportunity*.

The AG2019 Conference will consider oral presentations, poster presentations, symposiums, forums, and workshops that demonstrate the following:

- Show *what* successful AGdaptation looks like or could look like.
- Show *how* AGdaptation is currently being achieved or can be achieved.
- Connect multiple elements of Hawai'i's agriculture value chain in efficient, effective and innovative ways.

Review the Call for Proposals and submit a proposal at <https://hiagconference.org/proposals>. Applicants will be notified by June 1, 2019 via email if their submission has been accepted for presentation at the conference. Direct any questions to Director@agleaderhi.org.
